

Director of the Intelligence Community Staff

Under current law (50 U.S.C. 403(b)(3)), a commissioned officer serving as Director of Central Intelligence, or Deputy Director of Central Intelligence, shall not be counted against the numbers and percentages of commissioned officers of the rank and grade of such officer authorized for the Armed Force of which he is a member. However, a commissioned officer may not be assigned to fill more than one of these positions at the same time (50 U.S.C. 403 (a)). The Committee recommends an amendment extending this same exemption from rank and grade ceilings for a commissioned officer serving as Director of the Intelligence Community Staff, except that not more than one commissioned officer serving as Director or Deputy Director of Central Intelligence ^{or} Director of the Intelligence Community Staff shall be exempt from the numbers and percentages of commissioned officers of the rank and grade authorized for the Armed Force of which he is a member at any one time.
